ASUS Eee PC 1001HA Seashell - €325.00 Incl VAT

Main Specs

Seemingly crafted by nature itself, the Eee PC Seashell boasts sleek curves and smooth lines that hug its shell. It's so light and compact, you can take it anywhere with you! And with a stylish latticework pattern gracing its exterior, the Eee PC Seashell will easily charm passers-by wherever it goes. With the exclusive ASUS Super Hybrid Engine's increased power efficiency, the Eee PC can deliver an impressively long battery lifespan - eliminating worries about power while on-the-go and easily keeps users connected for full day, unplugged computing. With the Multi-Touch gesture input feature, you can easily zoom in and out to view photos or read documents by just moving two fingertips apart or together on the touchpad. You can also simultaneously slide two fingertips up or down the touchpad - making scrolling in a window easy without the use of a mouse. The Eee PC Seashell's keyboard is more comfortable and less fatiguing to type on for prolonged periods. Communicate with anyone face-to-face, anytime and anywhere, with digital mic and the built-in 0.3 megapixel webcam.
